Leduc Co-op has sponsored the second field house in the Leduc Recreation Centre. Now renamed the Co-op Field House, the 190 x 90 square foot playing surface will be primarily used for indoor soccer, lacrosse, and ball hockey.

“Co-op’s sponsorship of one of the field houses at the LRC is an excellent example of how much our local businesses support this community year after year,” explains Mayor Greg Krischke of the City of Leduc. “We are so pleased that Co-op has come on board to support the LRC, and I know that this partnership will greatly benefit both the city and Co-op.”

Co-op General Manager Rick Polasek says, “Co-op wanted to be part of the exciting new Leduc Recreation Centre and give back to the community that supports our store.”
